Parent or the immediate family member must be in the Y at all times or remain on Y property at all times if outside, i.e. ball fields if older child in Y youth sports. Hours may change depending on usage and time of year. Usage is limited to two hours. Diaper changing is not allowed by the babysitting staff or in the child care room due to sanitation and health reasons. Parents will be paged to change diapers or to take their child to the restroom if needed. Due to liability reasons no YMCA staff is allowed to take children to the restroom. Staff are not allowed to bottle feed or hand feed children. Parents will be called to pick up their child if they continue to cry for a prolonged period of time, misbehave, or require prolonged holding.

MISSION: To put Christian Principles into practice through programs, services and facilities that build healthy spirit, mind and body for all.

IF INCLEMENT WEATHER OCCURS, PLEASE CALL THE YMCA BEFORE COMING TO THE Y TO SEE IF BABYSITTING WILL BE OFFERED.

Henderson County Family YMCA FREE Babysitting Services Offered

*****For Family Members Age 6 weeks to 11 Years*****

Babysitting is for Henderson YMCA Members ONLY due to limited space. Immediate family members age 18 and older including parents, grandparents, brothers, sisters, aunts, uncles, or legal guardians may bring a child into the Babysitting Center as long as the family member and child are both members of the Henderson YMCA.

*A Henderson YMCA member who babysits for another YMCA member's child may bring the child to babysitting ONLY after the child's parent fills out and signs a Permission & Liability Waiver form which is available at the Service Desk.

The Henderson YMCA Babysitting Staff will provide the following services:

- ❖ Watch over all the children in the room to provide a safe place until the child's parent picks them up. A second sitter is employed when high numbers are consistent on a weekly basis.
- ❖ Provide appropriate TV or videos for children to watch.
- ❖ Provide toys and games for children to play with.
Please do not bring toys from home, as children will argue over them.
- ❖ Provide a snack of Animal Crackers, unless the parent instructs the babysitter otherwise.
- ❖ Due to Safety & Liability concerns, YMCA babysitters are not allowed to bottle-feed or hand-feed any babies or children while in the Babysitting Center.
- ❖ We request that parents take their children/infants to the restroom before taking them to the Babysitting Center. There is a changing table in each restroom.

****Board Approved Formal Policies (September 17, 2001)****

- 1) For safety reasons, parents or any immediate family member who brings children into the Babysitting Center **MUST** remain inside the YMCA at all times. Failure to do so will result in termination of further use of the YMCA's free babysitting service.
- 2) For sanitation reasons, changing diapers inside the Babysitting Center is not allowed by parents or YMCA staff. Since babysitters cannot leave the Babysitting Center, the parent or guardian will be paged to take their child to the restroom to change a diaper.
