OUR HERITAGE

The Henderson County Family YMCA was founded in 1894 and has been responsive to changing needs and providing life-changing programs and services to Henderson County residents, both male and female, of all ages ! This YMCA is dedicated to building strong kids, strong families, and strong communities.

COMMITMENT TO THE FUTURE

The Henderson County Family YMCA has been meeting needs of countless numbers of people throughout Henderson County for 116 years! Generation after generation of men, women, and children, of all ages, have played, worked out, socialized and learned together at the YMCA. Many members that are current volunteer leaders here at the Y, grew up with the YMCA, and want to see those same opportunities exist for future youth, so they can become our next leaders !

By becoming a member of the Y Heritage Club, you will be making a commitment that will help ensure the future delivery of existing and new programs, provide scholarships for youth and families, and services for the needy and for our community.

With each passing year, as more friends of the Y decide to include the YMCA in their annual giving, and in their estate or will plans, the YMCA will build long-range financial stability, enabling the YMCA to continue to meet the needs of Henderson County residents.

Income from the Endowment fund, overseen by an Endowment Committee, but managed and invested by professional investors, will be used each year to benefit thousands of our county youth, teens, adults, senior citizens and families !

YMCA MISSION

“To put Christian principles into practice through programs that build healthy spirit, mind and body for all”.

“That no person(s) shall be denied access to programs, services or membership, due to an inability to pay”

This past year, our YMCA awarded over \$336,478 in scholarships to over 2,826 people, that helped underwrite the fees for YMCA programs and membership !

THE HERITAGE CLUB

The Heritage Club is a special group of people who believe in the mission of the Henderson County Family YMCA and want to ensure that valuable life-changing programs and services will be continued for future generations!
